Sales Professional

Well known eastern suburbs air-conditioning company requires experienced, self motivated and highly driven sales professional to sell heating and cooling products to the domestic and builders market. The successful applicant will have a background in air-conditioning and/or the building trade. Must be able to show proven sales record, excellent time management skills and good people skills.

- Eye for detail
- High level of communication
- Be thorough in detail
- Be team oriented
- And above all, provide high levels of customer service

The successful applicant will be driven to surpass budgets by building clientele and sourcing outside opportunities. Remuneration negotiable, including commissions.

Genuine applicants only.
